

## **CEI 2009-2010 Winner of the Friend of Wrightstown FBLA Award**

We are pleased to announce that CEI was recently recognized as the winner of the 2009-2010 Friend of Wrightstown FBLA Award.

CEI was chosen as recipient of this award for two main reasons:

- Donations from CEI made it possible for the FBLA club to send several of its members to the FBLA Nationals the last three years.
- Additionally CEI has been a strong supporter of Wrightstown High School's Business in Education, Business Occupations program over the years. In this cooperative program, WHS students have worked at CEI learning valuable "real-world" work experiences.
